

NOTICE OF TRAFFIC DELAYS

Beginning on Monday, August 6th the City of Hood River and Beam Excavating will be installing a new storm sewer in Belmont Drive west of 22nd Street. Belmont Drive will be restricted to one lane during the hours of 7:00 am and 6:00 pm weekdays for the duration of the project. Flaggers will be in place to direct traffic in both directions. You should expect traffic delays of up to 20 minutes at a time. The project is expected to be completed by the end of September. The work zone is depicted on the map below.

We apologize for the inconvenience. Please contact Wade Seaborn, Senior Project Manager for the City of Hood River with any questions or concerns. You can also check the City's website for any project updates.
