

# EMERGENCY AMBULANCE MEMBERSHIP PROGRAM

## Hood River County FireMed:

FireMed is the lifesaving emergency ambulance membership program of:

- Hood River Fire Department
- Parkdale Fire District
- Cascade Locks Fire/EMS

Dear Hood River County and Mosier Residents,

We've all had a tough year of changes and challenges. Hopefully everything will stabilize and we will all be able to hold on to our "peace-of-mind."

We all fear unforeseen emergencies when life is in danger and costs seem unbelievably high. But now you can be secure and well protected from high emergency ambulance costs by becoming FireMed members... in fact your membership protects your whole family.

The Hood River, Parkdale and Cascade Locks Fire Departments provide the ambulance services to all of Hood River County and Mosier. We, as the Fire Chiefs of those agencies, need your support for the Hood River County FireMed ambulance membership program. FireMed helps save lives and save money...for everyone in our communities.

**FireMed an incredible value.** For only **\$50 per year**, your whole family is fully protected from any unforeseen emergency ambulance costs. Your insurance may not cover all of your expenses and without FireMed you might find yourself paying up to **\$1500** for one ambulance ride.

**But you don't have to worry!** Being a FireMed member means you are totally covered...for one small fee, for one full year and yes, for your whole family.

**You are supporting our whole community.** Your membership fee goes directly into supporting the emergency ambulance service in our area. It means we can hire great people, invest in the best technologies and most importantly...we can save hundreds of lives each year. Thank you for making it possible by joining.

**Don't risk your life or your money.** Times are tough enough without unforeseen expenses...so invest in your own safety and security.

You can help us. If you have already renewed your membership, please pass this information along. Encourage your friends and neighbors to join FireMed.

Thank you,

Devon Wells, Chief  
Hood River Fire Department

Mike McCafferty, Chief  
Parkdale Fire District

Jeff Pricher, Chief  
Cascade Locks Fire/EMS

Please call us if you have any questions.  
Membership Services: **(541) 387-5213**  
Hood River County FireMed  
PO Box 27 • Hood River, OR 97031

**Your Insurance May Not Cover All  
Emergency Ambulance Costs**
