That immunity from liability does not apply if the owner makes a charge for permission to use the land. This fee is only for use of the assigned park and for use of the park-related amenities in the designated park area. Other uses of this park, or any use of the property outside the designated park area are not subject to a charge and, therefore, The City of Hood River is not liable for injuries, death, or property damage arising out of such uses of the property for which no specific charge has been made.

In lieu of meeting the insurance requirements of this section, any governmental entity may enter into an agreement with the City to indemnify and hold the City harmless in the event of any damage or injury resulting from the use.
