

**BEST SALAD
CHOP SALAD AT VINTO**

There's more to salad than a few well-placed leaves. The Verdura at Vinto has zucchini, asparagus, peppers, corn, avocados, eggplant and tomatoes. Who says you can't fill up on salad? 418 E. 208 SOUTH, SLC, 801-539-9999, VINTO.COM

OUR
**DREAM
DINNER**

What if we could choose our favorite dishes from different restaurants and put them together to make our dream dinner menu? Done.

**BEST STARCH ACCOMPANIMENT
POLENTA WITH
BRAISED WILD BOAR
AT TIN ANGEL**

We've had it with the mashed potatoes, be they blue or gold. Ditto for pasta. Nubby sweet polenta soaks up the sauce just as well and adds a sweet, nutty taste all its own. 345 W. 400 SOUTH, SLC, 801-328-4155, THETINANGEL.COM

**BEST MEAT DISH
CARNITAS AT FRIDA BISTRO**

You know how carnitas are so often little, dried-up pieces of meat? Usually, they've been cooked way ahead and stored for a while. Result: Wood chips. Frida's kitchen uses bigger (and fresh!) pork chunks and glazes them lightly. Result: Succulence wrapped in a tortilla. 343 W. 700 SOUTH, SLC, 801-983-6692, FRIDABISTRO.COM
